Friends, I wish you all a very Merry Christmas, good health, peace and happiness this Christmas and throughout the coming year.

It has certainly been a challenging year for us all, thank God for the gift and blessing of our families and good friends and neighbours who have helped to keep our spirits up! We always try to keep the gift of Hope alive in our hearts. In your charity this Christmas, remember in your prayers a thought for all our faithful medical staff, who work tirelessly to help, support and keep comfortable all who are sick.

God bless you all.

Let's make Pomeroy special this winter and give every resident something to smile about.

Join us in making Pomeroy shine bright during these winter months by creating your own window displays and making Pomeroy a magical outdoor gallery for us all to safely enjoy. This event will run from 29th November until 6th Jan. with the light display switched on each evening from 6 – 8pm.

The theme for this year is Light. The best displays can be the simplest. For ideas and inspiration for your window creations go to the Window Wanderland website <https://www.windowwanderland.com/gallery/> We will be awarding prizes in various categories and will be having a public vote for the best display so get creating.
