Let’s make Pomeroy special this winter and give every resident something to smile about. Join us in making Pomeroy shine bright during these winter months by creating your own window displays and making Pomeroy a magical outdoor gallery for us all to safely enjoy. This event will run from 29th November until 6th Jan. with the light display switched on each evening from 6 – 8pm. The theme for this year is Light. The best displays can be the simplest. For ideas and inspiration for your window creations go to the Window Wanderland website <https://www.windowwanderland.com/gallery/> We will be awarding prizes in various categories and will be having a public vote for the best display so get creating.
